

Dear Friends, Associates, and Patients,

Thank you for having the confidence to trust me with your health care needs. It has truly been a pleasure being your physician. I have come to know you and your families well, and I consider many of you friends. It is with sadness that I must notify you of the closing of my practice at Argyll Medical Group. Due to life circumstances, I have made the difficult decision to move out of Chico. I know this comes as a shock as transitions can be difficult. I will make every effort to help you with this endeavor.

Argyll Medical Group is looking for a possible replacement. But, at this time it must be assumed that there is not one. Please follow these procedures to find a new primary care provider:

1. Ask friends or family if their medical provider is accepting new patients.
2. Contact the Butte-Glenn Medical Society for list of open offices at (530) 342-4296.
3. If you are taking Suboxone go to www.SAMHSA.gov and look for the treatment provider tab.
4. Have a signed records release sent from your new medical home so that a copy of your medical records can be forwarded.

I will continue seeing patients until May 31, 2021.

And once again, thank you for the honor of allowing me to care for you.

Warmly,

Brandan Stark
